

## **Effort Reporting System**

### **Technical Advisory Group Agenda January 18, 2005**

**1. Review of meeting notes of 12/7/04 meeting**

**2. Project Status Update**

**3. Feedback on ERS Interface Specification**

(reference [ERS Interface Specification v1.0 \(PDF\)](#) on the project website)

**We will be looking for feedback and comments on the Interface specification discussed at our last meeting, specifically on the financial system interface file.**

**4. Delivery of test interface files**

**5. Addition of new interface for users/email addresses**

**6. Review of data model/database design**

(reference [ERS Data Model v1.0 \(PDF\)](#) on the project website)

**This will be an initial presentation of the design of the ERS database.**

**7. Next meeting:**

**Tuesday February 15, 2005 - 2- 4 PM conference call**

**This agenda and all referenced documents are available at:
